National Safety Month

Summer Time Fun!

Parents we are in the mist of summertime and it is a great time to enjoy the outdoors and water sports. During the summer, we will tap into your child's imagination by discovering and traveling the world through our classroom.

We have an exciting curriculum planned for all children that will expand their knowledge and cognition to the world and beyond. The growth pattern of each child's progression can enhance their imagination and develop a mind that could dream of positive dreams and accomplishments.

They will travel millions of miles to a far land through the idea of books, only to discover an entire new world of travel through play.

Some things to remember during summertime:

- Stay hydrated. Always have water available for you and your family.
- Be aware of high temperatures and keep cool.
- Do not over work yourself outside in the mist of the heat.
- Be aware of your physical development and any limits.
- Wear sunblock with high temperatures. Please bring sunblock for the child needs.

Sayonara Harris/Program Director

Important Parent Information: VELC will be moving to a new location in the near future. Parent letters with more details will be going out June 22nd and June 23rd.

VELC and the Graduation Class of 2017 would like to extend a heartfelt "Thank You" to United Way for making this graduation possible and to all the Pre-K staff who worked very hard with the planning and the children.

GRADUATION POEM 2017

*Sometimes you get discouraged
Because I am so small
And always leave my fingerprints
On furniture and walls*

*But every day I'm growing
I'll be grown some day
And all those tiny handprints
Will surely fade away*

*So here's a little handprint
Just so you can recall
Exactly how my fingers looked
When I was very small*

Family Engagement Training

Family Engagement Activities: All are invited! The training will be presented by Mikaela Cunningham from the Children's Cabinet CHERISH Program. Attendees will receive 1 hour of training credit.
